Community Details

Designed in collaboration with GE's Ecomagination initiative Discovery at Spring Trails is a unique community with the goal of achieving a healthy, sustainable lifestyle, as well as having all the conveniences of living just off I-45 and the Hardy Toll. The GE's Ecomagination program features renewable energy savings with solar power, whole-home energy efficiencies, advanced building science, water conservation and indoor air quality. Land Tejas has created a living environment that will enrich, reward and educate for years to come and provided resort style amenities for your family to enjoy. This one of a kind community is ideal for your new Plantation Home.

Disclaimers, Terms and Conditions of Use.

Plans, specifications, community amenities, standard features, availability and prices are subject to change without notice. Calculations for square footage of these plans were made from exterior dimensions less attached garage, if appropriate. A/C square footage is the same area less thickness of exterior walls of the same area. Square footage calculations are made based on plan dimensions only and may vary from finished square footage of the home as built. The accuracy of property tax rates, homeowners' association fees, and school district information displayed on this web site is not guaranteed by MHI or any affiliated companies. This information has been provided by third parties and is subject to change without notice. It is recommended that you ascertain the correct property tax rates, homeowners' association fees, and school district information from the appropriate authorities before you make a decision to purchase. © 2006 - 2012 Plantation Homes, All Rights Reserved. 5/22/2012
