Community Details

Wimbledon Falls residents enjoy an abundance of custom amenities usually found only in much larger communities. This community was designed for savoring the wooded ambiance of greater northwest Houston, with walking trails winding past homes, greenbelts, and our scenic waterfall and lake. The community pool is fun for the whole family, and the fitness center is great for those who want a more challenging workout. The community center is also available for residents who would like to use it for private parties, showers and meetings. Choose your new Plantation Home today and enjoy all that Wimbledon Falls has to offer.
